

Terre Haute Tennis Club - 2009

Summer Leagues Start Soon, Sign Up Now!!!

APPLICATION FORMS

The 2009 application for membership and league play is enclosed in this mailing, together with the calendar of events. Assignment to leagues is made to try to maintain a balance of players of comparable ability. Level-play competition is truly more enjoyable for most persons. Final assignment to leagues is the responsibility of the THTC.

Please note: The two "Night" leagues will play under the lights at Terre Haute South, therefore sign up is limited to the first 8 teams. Early application are advised. Also, the women's Thursday league at Rea Park will be limited to the first 16 teams.

The May 8th due date should give everyone sufficient time to complete and return the application (return envelope is enclosed). Time is needed to assemble all the leagues, construct the schedules, and distribute them. Your cooperation will be helpful. PLEASE include payment for both your membership and league fees. The applications can also be give to Melitta Miller at the W.V.T.C. (Bubble) by May 8th.

VOLUNTEERS NEEDED

League Coordinators are needed to distribute balls and keep record of the results. Please contact Mike Hambrock, or write on league application, if you are willing to help in the operations of one of the leagues this year.

IN MEMORIUM

The Terre Haute Tennis Club mourns the passing of our friend and fellow player Ann Hayes. Ann had played in numerous leagues and tournaments for many years. She will be greatly misses.

TWO CLUB HAT EVENTS THIS SEASON

Due to the popularity of last year's Club Hat Doubles, we will have the Duane Klueh Club Hat Opener on June 27 and the Club Hat Finale on August 8. Dave & Jami Patterson and John Wright are directors.

TABCO DOUBLES DATE IN AUGUST/ ADDING SENIOR DIVISION

The TABCO City Doubles Championships were moved from June to August last year due to the flood. We are keeping that August date and adding a Senior Division. The TABCO doubles have consistently been one of the largest non-sanctioned tournaments in Indiana for over a decade.
